

ALAN BLUMENTHAL

IMPROVE OUR CHILD PROTECTION SERVICES

Birmingham Child Protection services are a National Disgrace We **MUST** do more to protect our vulnerable Children from exploitation and abuse

OPPOSE EXCESSIVELY HIGH COUNCIL SALARIES

Despite huge cuts to council services and the loss of many council jobs, 10 BCC staff are paid more than £100,000. I will hold those responsible for mismanagement to account

CREATE MORE AFFORDABLE HOUSING IN BRUM

I will campaign for empty homes, shops and offices to be converted into affordable housing and incentivise builders to develop inner-city brown field sites to protect our greenbelt

EXPOSE EXTREMIST CONTROL OF SCHOOLS

Extremism in our inner-city schools is rife, but Birmingham Council still ignores it. I will ensure **ALL** faith schools provide a balanced education and are not taken over by extremists

HALL GREEN LABOUR & TORY CANDIDATES AXED

Labour and Tory candidates posting racist and anti-Semitic comments have resigned and disowned by their parties. A vote for Labour or Tory is a vote for racism & anti-Semitism
